“ *Friends for 50 years, we shared, we loved, we danced , we shopped, We laughed, we cried. I'll miss what could have been in the future BUT I will always cherish the past. Your friend, Marilyn monton*

“ *We were so saddened to read about Susie's death. She was such a loving lady and we had lots of fun with her. We have some real nice antiques thanks to her, and our favorite memory is making snow angels one cold night. So glad she came into our lives many years ago (through Josh). She will be missed.

“ *So sad to hear of Susie's passing. She always spoke so lovingly of her family and I know she will be greatly missed. She was the sweetest lady and I always enjoyed our chats about antiques. Sending our deepest sympathy,*

“ *I remember Susie as an imaginative and darling child. My brother Ron and I spent a lot of time with her and Philip. I moved away from Evansville after high school and unfortunately we didn't see one another very often; but when we did, we laughed and sometimes cried and always loved being together. She will forever be remembered to me as a beautiful & loving cousin.*
