“ *Harriette and I were high school classmates and good friends for many years. The last time I saw Harriett was at a St. Boniface Social dinner.*

She looked very pretty that evening. Sadly, she did not know me.

I took the photographs at Harriette and Frank's wedding. Harriette thanked me repeatedly, for this gift, for many years when we were together.

I would like to offer sincere condolences to all her family members.

“ Tom,
What a great woman Mrs Conkling had to have been. Your mother reveals her character and integrity in her children and the values that you hold strong to Faith, Family, Job. I know she will be missed but also know that being united with Jesus Christ, she wouldnt return if she had the chance. What a celebration that will be for all of us who know him someday :)

“ She was so kind hearted and loving to me. I did not get to be with her often but when I did I felt so at home. She was everything an aunt should be. Your whole family is like that in my eyes. I love you all and am praying for you.
