“ Prayers of comfort and peace for my old school buds friends and loving family.

*As I wrote on Facebook Today: Brad was "N", I was "O" with seating in classes we shared. My memory gets kind of fuzzy when I think about elementary school but I think Brad and I went all the way back to Emma Morgan grades 1-4. Got reunited during jr high then finished together at PTHS. Knew him most of my life but sadly haven't seen him since the first class reunion, really not even sure I saw him then. My memories of Brad are a visual of him wearing a black leather jacket in old school days, his sense of humor and smile, competitive drive, intelligence, and bottom line just being a nice guy. I see was he was married and had 3 boys, I'm so glad he got to experience love and family. If you leave this world right with God, and those who knew you have pleasant thoughts when they hear your name what more can you ask for...Rest Well Old Friend. (TonyOz)*
