“ *I miss you, Herbie, more than you'll ever know. I know Larry will always treasure his last visit with you and Lisa, just a month ago. He'll miss every note of the dozen times you sang Happy Birthday to him. He'll miss the 64 years of you being his big brother, hunting and fishing partner. He'll miss the jests on who's the better driver, Jeff or Jr. Simply put, Herbie you cannot be replaced. Spread your wings and fly.##imported-begin##P Baldwin##imported-end##*
