Dear Ann, Fred, Carolyn and JaneAnn:

We're so sorry we can't be there, but we do send our deepest sympathies to you for the loss of your Mother and Grandmother....our Aunt Hilda.

I know the heartache you are feeling, and nothing can make that sadness depart right now. However, in time, you will remember back her sweet, long life, and all the moments and events that made her (and keeps her) so special to you!

Girls, it is a 'very' difficult time for you, losing both of your grandmothers so close together. Grandma's are 'so' special; just 'know' how very-very much they loved you and how proud they were of you both-God will see you through!

We too, have some very fond memories, and we hold them close to us. Conrad was always taken to the, 'likes of Aunt Hilda' because she would call him her 'G-man' and favorite singer!..talking Wildcat sports and Bruin sports kept their lips movin', especially over B-b-Q, sliced tomatoes and a cold glass of iced tea! Hilda and Vickie were the 1st two people Conrad met when he came to E-ville in 1970...they were both sitting at the back-dock of General Tire, on break, while on the picketline!

Aunt Hilda, thank you for always having a great smile, encouraging word and good food always available thru the years! I continue to cook my green-beans Kentucky style with you in mind!

I am sorry we are not present to give one last hug to Auntie, but we thank God for her life. You all (and the other family members) are in our prayers.

'Lift up your heads, HIS hand is stretched out still, for Heaven now

holds your treasure.'

Love,

Conrad and Carolyn Millan

(Chad Millan and Jacob and

Alfred, Jennifer and Isaiah also send their love and

sympathy)##imported-begin##Conrad, Carolyn Millan

Dear John, Leslie and Jennifer:

We were saddened to hear the news that your Mom / Grandmother had passed away. Aunt Hilda was very special to us!

We know she is no longer in any discomfort or pain, and that, I'm sure must bring comfort to you all.

We certainly want to hold on to the ones we love ForEver and ever but that is not possible, at least not in the physical.

Right now the pain in your heart will last for sometime because you will miss your Mom/Grandma SO much. But soon, that pain will fade away and it will be replaced with the peace of God, which will bring you a sweet, comforting memory of all the wonderful years and happy times you all enjoyed together!

THAT is how Mom / Grandma will remain with you ForEver!

John, she loved you dearly, I know and was proud of who you were and of all your accomplishments. Leslie, Jennifer, you had a wonderful Grandma and she was so in love with both of you...she always spoke to us about you both with such love, concern, and pride. She knew too, God would see you through 'every' circumstance in your lives and be with you every step along the way.

So we remember our Aunt as a special lady, one who had a smile all along the way! We wish we could be there, as Conrad would love to sing one last song for her. Know that we mourn with you Hilda's passing, but also that we rejoice in knowing she is in the presence of her Saviour...and we WILL see her again.

Our deepest sympathy, love and prayers for you all. (John 14:1-4)
