“ *So sorry to hear this, but I know Howard had some challenges these past few years. Howard was my Teammate at HHS and played his best game against Terre Haute (S or N not sure which). I was able to visit him a year or so ago and he was razor shape in correcting me on scores and outcomes of our Sr High School Season. Rest In Peace Howard. Randy Zion*

My deepest sympathy for Howard's family. I knew Howard during those crazy fun rugby years as a teammate. He was competitive and loved the game. Howard was a one of a kind guy with a huge sense of humor. RIP now Howard!

I attended Harrison with Howard and other than just saying he was a good friend , he was also a " wild and crazy " guy , but in a good way ! He had a great sense of humor and was always fun to be around ! You always took a special memory away after being around Howard for very long ! R.I.P. Howard . a long ago friend , Wayne Parsley
