“ *To my dear uncle Howard, you were always more like a brother to me because I never had one. I remember mom telling me when she was pregnant with me you were so excited but you were upset when I wasn't born a boy lol. But that didn't matter because from the day I was born I was always up under you whether it was me beating on your drum set with you, us celebrating birthdays together because we were 4 days apart or me just wanting to follow you around everywhere you were. You taught me how to drive a stick shift, I was always with you and aunt Leti and my little Kevin and Anna Lou! I remember always wanting to drive your little 5 speed truck all the time after you taught me how to drive it lol. You are a jack of all trades, I always looked up to you, not only were you a wonderful uncle you were a wonderful father! I cannot believe you are gone it was way to soon but I know that you are not in pain anymore and now you can be with Grandma again and watch over all of us like she has been doing! You will forever be missed and loved! Fly high and rest easy Duck, I love you!!! Xoxoxo*
