“ *Dear Ones: I remember with fondness and affection many delightful
times which I shared with Wayne. The time was too short but the
memories I treasure through the continuing relationship which I
have with his lovely children and grandchildren. I remember, too, the
friendship which his mother and my mother, Oriena Kallenbach
shared many years ago. May you be comforted in this time of
separation knowing that for Wayne, his long suffering is ended. May
he rest in peace in the presence of his Lord and Savior, the one who
brings comfort to all who bring their sorrow unto his presence.
