“ *Terry & Sherry,*

*So Sorry for your loss. No words can make it better(a hug helps and I'll take care of that when I see you). There is such a void in your heart for someone you love so much. Just know that they are not just words when I say you both are in my thoughts and prayers.
Love, Diana

“ Jean was a gret lady and will be very missed. She helped raise me from age 6 months to 6 years old and throughout the rest of my life. Even though she was only my babysitter she was more like my 3rd Grandma. She was there for me at Graduation from High School, College, and at my wedding. Even though I only saw her once a year or so at Christmas Eve, she was always a very important part of my life. I love her and like her family will miss her very much. May God be with her family at this difficult time, but remember she is dancing down streets of Gold in Heaven with our Lord and Savior.##imported-begin##Tom Kough##imported-end##
