“ *Irene and Bill were our neighbors for years. We enjoyed playing cards with them. Irene was a very beautiful person, always positive and helpful. She loved horses and every time Shirley and I went on vacation we would bring her back something that had to do with horses. And when she and Bill went on vacation they would bring Shirley back something to do with chickens. I remember how she took care of Bill when he started to get sick. I drove them to Indianapolis where Bill had an operation, and Irene was always right by his side, getting him whatever it was to make him comfortable.*

She had a son named John that lived with them for a while. He was a nice person too, a lot like his mother.

I'm very sorry to hear of her passing and send my condolences to John and the rest of the family. I found this today so I could try to call and tell her that my beloved wife, Shirley, passed away in December of 2023.

“ I met Irene when she came to our church, Berlin Heights church of Christ, many years ago. She was a faithful member up until her last breath. We were having a potluck dinner after service that Sunday. Knowing Irene, she had prepared a feast to bring for all to enjoy. The Sunday prior, she read a story that she found in a Bible that her son James once carried. That is who Irene was. Kind hearted, always sharing and caring. We will miss her kindness and her eagerness to help however and wherever she could.

“ *Sister Irene*

Your time with us seemed too short. I had plans to help you fix-up your garage that seemed to be a mess with wires and cords to and fro. So now i will do it for John with you in mind as you won,'t be needing any wiring at your new home, God has prepared a home for you now ,if not so he would have told you.

Your home is already wired with all the light you will need for HE is the light and power.

Happy thoughts maybe too many to list from the past, BUT one in the present that makes me glad you did not have to suffer a horrible exit. Now rest MY sister in the LORDS presence.

FOREVER LOVED and MISSED
