“ I have really lovely memories of what a hard worker Jack was. He really went out of his way to help his son, daughter-in-law, and grandsons. He was mowing their lawn at quite an advanced age, but he really loved health, and was very generous. I am so sorry that he has passed, but I take much consolation in knowing that he is with JoAnn at last. He was really part of a dying breed, and he was a soldier to the last, I am sending my best wishes and blessings to Jill, John, Camden, and Caiden.
