“ I remember Jack when he first started out at work. He must have been a mere 19 or 20 years old. Big brown eyes and such a sweet smile. He met Angela and was so happy with a bright future ahead. I always enjoyed talking with him, he had a shyness that made him even more special. Just a few weeks ago he came to my mind and I wondered whatever happened to that sweet Jack Parsons and his growing family. I am so sorry to read in today's paper that his young life has ended. I know there are no words that can comfort you at this time, just know that Jack was special in so many hearts. We never know what paths God decides for us in our lives but having the strength to endure makes us survivors.##imported-begin##Mary Russell##imported-end##
