“ *To the family of Jack, I am very sorry for your loss. I remember Jack helping me and my teammates over the years with positive instruction in my football and baseball playing days. What i remember most about Jack was his great personality and his big smile that he always wore. He will be truly missed. God bless you all.##imported-begin##Dirk Pruden##imported-end##*

“ *Jack was our neighbor at Lakewood West. I never realized he was so sick, because he always had a smile and good morning for me when we passed each other in the parking lot. I will think of him often. My prayers to the family.##imported-begin##Debbie Cunningham##imported-end##*

“ *Jack was our biggest supporter while growing up as he never missed a ballgame and entertained us on Pony League trips and taught us how to play cards. He would always let us win as that is the kind of person Jack was, special!##imported-begin##Larry Nall##imported-end##*
