“ It was with great saddness that I heard of Jack's passing. I have such wonderful memories of your entire family. As you may know, Jim and I are sitting with Jim's father in the nearby room at Pierre's. Both of these two men led full lives and died of cancer; however, they now have eternity before them and we have the hope to see them again soon. God's blessings to your family in the coming days.##imported-begin##Ruth Zimmerman Baize##imported-end##

“ Martha,
You and Jack have always been very special to me, like an "extra" special set of grandparents. Men like Jack are few and far between and I have had the good fortune to have had two of the best in my life. He and Cawkie are surely getting caught up. I surely wish we could somehow ease your pain. We love you all,

“ Martha, Mike and Lyn,
It is with deep sadness but many fond childhood memories this message is being sent.
I do believe that dad is showing off his "garden" to Jack, and that he is glad to have his lifelong friend with him again. You are in our thoughts and prayers.

“ Dear Lyn,

What a glorious reunion you dad is having right now in heaven! I did not know your father but I know he must have been a great dad because he raised a wonderful daughter. If I can help you in any way, please let me know. You are in our prayers hoping God will lift you up and comfort you.

“ Martha, Mike and Lyn, Thanks for sharing him with us - Jack was an important person in our lives as he was in so many. We're so glad we were able to see him last week, and although my grandchildren will not know him as I did, they will know him through the many happy memories we will share with them as they grow up. Martha, you and your family are in our thoughts and prayers.
