“ *Rhonda, Mark, Becky and Rick. We are sorry to hear of Jims passing. We are thinking of you all during this time. I remember the first time I met jimmy. He walked up to me and held his hand out and said I'm Jimmy Carter, I looked and him and said ya and I am Abe Lincoln !! As you might recall Jim and I were the professional blockers on our hunting trips which allowed us plenty of time to visit we developed a special friendship over the years, one that I will not forget. I always considered him a perfect gentlemen and honored to know him, someone you can all be proud of. To him I will say, God's speed my friend. Wishing you all the best during this time of sorrow.
