“ As one of the neighborhood kids growing up on Spring St, I'm sure I got on his nerves on more than one occasion. Even later on when he was umpiring games at North Little League he would set me straight and tell me to give 100%.  
That's what was needed back then and even more in today's world, a grownup instilling pride in young peoples minds. You will be missed by all and especially from this former Rebel Without A Cause....
