“ *I am so sorry to hear of Jim's passing. He and Mildred were my neighbors growing up, and he was always patient with my and my brother's antics, opening his house and yard to us all the time. My prayers go out to all of his family, especially to Mildred. The Lane just won't be the same.*

“ *I was quite sad to hear of Jim's (My other Dad) passing, He and Mildred (My other Mom) have, and always will have a special place in my heart. The Obituary, tells of what he did, but not how he did it. When he did something big, or something small, it was with a genuine passion to do it right. He was a Guiding light for me and always will be.....*

Those of us to have had the privilege to know him well, will also reflect on many days of rabbit hunting, gun shows and the absolute best times, "Spot shooting".

Rest in Peace.

Love you Dad!

“ *My dad (Jim Adams) said he remembers going swimming with Jim when they were much younger and they would always see who could stay underwater the longest. Rest in peace uncle Jim.*

“ *Jim Hayes was one of the good guys. He treated me with respect and grew to love me as I did him. He always liked to joke and watch westerns. He was the father of a very good man that I am privileged to call my husband.*
