“ *Jimmy,*

Thank you for hearing God's call to drawn near Him. It was obvious that it was an inward change because God completely changed you.

Thank you for showing us Jesus at the very end. These last 6 months were very special.

Thank you for leaving an impact on the guys here at Point Man, Newburgh. You wedged a special place into their hearts.

I know you loved the music here at Crossroads Christian too, but it does not compare to the music you hear now.
