He then went on to enlist in the Marine Corps in November of that same year. During his time in Vietnam, he earned a National Defense Service Medal, Vietnam Service Medal, Combat Action Ribbon, Vietnamese Cross of Gallantry, and Vietnam Campaign Medal. He was a proud member of the Vietnam Veterans of America Chapter 566 in Port St. Lucie, FL, showcasing Semper Fi throughout his life.

After his time in the service James met the love of his life Diana and married on April 25, 1981. They lived happily in Evansville, Indiana majority of their life where James worked for the United States Postal Service until his retirement;

when they decided to move to sunny Port St. Lucie, FL, in 2018. James was a beloved husband, brother, father, uncle, grandfather and great grandfather.

Not only was James a proud Vietnam Veteran, he also had numerous, ever-changing passions. Some of his hobbies included his extensive coin and stamp collections, fishing, hunting, spending time with his family and animals, and of course, telling cheesy jokes. James had an avid thirst for knowledge and appreciation for history. He was often spending his spare time researching topics of interest and reading books. He enjoyed expanding his knowledge so much so that he went on to earn multiple college degrees later on in his life and even taught at Port St. Lucie Middle School. He was incredibly inquisitive and knowledgeable and loved to share his knowledge with anyone and everyone.

James' loyalty to the ones he loved was fierce, despite hardships faced, he never wavered in his love for those around him. His legacy will carry on forever reminding us to be proud, to love, to choose to live a life full of meaningful acts, and Semper Fi, always. We miss you, but heaven is so lucky to have you.

“ Diana and family. Larry and i are so sad to receive the news of Jim passing. We enjoyed our friendship with you and him for many years. Larry was saying he had hoped there would be a time when you would be back in Evansille and we'd play spades again, so the boys could cheat us girls again!!! We had the greatest of times with you and Jim and as I reflected back, remembered taking our girls to Owensboro to several concerts . Amy said she remembered those times and was so sad to hear of Jim's passing. He was such a character. I enjoyed working with him for so many years. He was so full of life and I think he was always smiling or laughing. It was a pleasure to have known him. I hate that we lost touch with one another. Call me sometime when things settle down. I did send you a message on Messenger..
