“ Susie & Karen,

*Thank You So Much for all you did for Uncle, especially Susie. It's been a very hard year for all of us, but we have stuck together, and we've worked together. Because we love Uncle so much, we wanted to take care of him during this illness (3 months), but also know; Mom is so happy & proud of us that we took care of her Baby Brother, and we were with him right up to the end. Mom is looking down on us smiling.*

*I'd like to Thank all of Uncle Jim's friends for their friendship over the years, and especially those friends that were there for him during his short illness.*

*Uncle was a one of a kind man. He had a great sense of humor and could always say something to make you laugh. His Birthday poems he wrote, written anonymously by the Phantom, will be missed.*

*My condolences go out to all his Family, and to all his Friends, I know how much they will miss him, because I know how much I will.*

*Uncle Jim,  
I Love You and I'm really going to miss you. I wish you could have stayed with us longer, but with the pain of this terrible disease, I'm happy and relieved that you are finally out of pain, and not suffering anymore.*

*Your Niece,
