“ Dr.Fleck's Family,

*I went to Dr. FLeck from age 4 to 22. I can not say enough about him. He was a wonderful person and doctor. I had someone ask me last Tuesday who I recommended for a pediatric dentist, and I said his name and then told her he was retired. I ran into Dr. Fleck about a year ago and showed him how his awesome work on my teeth was still intact well beyond the years he expected. I'm really glad I had the chance to thank him for being such a great dentist. He will be greatly missed. You all are in my prayers. - Kristen Folz##imported-begin##Kristen Folz##imported-end##*

“ Jason - i'm sorry to hear about your dad -i didn't get a chance to make it to the showing. of course i'll remember him as my dentist since i was old enough to go to a dentist ( he always let me and my brothers get two things out of the treasure box - i think we were his favorites ! ) they always say they're in a better place, but it's always tough to lose them - it's already been 19 yrs since my mom has passed, but sometimes it feels like yesterday. please send my condolenses to your mother and say hello to Debbie thoughts and prayers

“ Judy and Family. Please accept my deepest sympathy for your loss.  
  
Jim leased his dental office from me for many years. I can recall how Jim, when he would have a problem, he would often fix it himself without ever even calling us. Often times I would find out about it a few monmths later, he would just say, I didn't want to bother you, or say that he enjoys doing things like that. He was one of the best Tenants you could ever hope to have. It was always nice to visit his office and often times see the children in his waiting room 'excited' to go see him.##imported-begin##Jim Riordan##imported-end##
