“ *Our loss ~ heavens gain ~*

Jane had a real zest if u will for rocking that piano at church so that the whole place had a sudden pulse of enormous rhythm!! As she made those ivory's jump, she had a voice unlike any other; she articulated every syllable and word with such enormous strength and faith, it would instinctively make us jump of our seats and join her!

*"Sing on & play sister Jane" ~ amidst the starry skies of heaven . . .
 where we will meet again same sweet day ~ ~ ~ ~*

“ Dear Kathy, Joanna & family, It's been a long time. I saw your Mom's name on the prayer list at our church, (Raleigh 1st Baptist) & wondered if that was the same Jane Wilson that I knew. I am so sorry to read of her passing. I have many fond memories of our families getting together. I always loved hearing Jane play the piano. She could really make those ivories talk! She was a beautiful lady and I know you will miss her. I know how hard it is to have to give up your mama. I will be praying for you all. God Bless!
