“ Christine, Sharon, Laurie, Bill and Mike. Me & my family would like you to know how very sorry we are to hear of your mother passing. She was a wonderful person & mom. She had to be to put up with all her kids along with the all the neighborhood kids that she took in as her own. She was definitely like a second mom to me, esp after losing my mom so young.  
Thank you Janice for being such a kind & patient mom & friend!

“ I will always remember Aunt Janice for her warm hugs, and how she always showed a genuine interest in how my life was going and the encouragement she always offered. I remember how I always felt so happy and so lucky to sit next to her when we would see her at church. I remember as I was growing up I would ask my dad "Can we go sit next to my Aunt Janice?" I will truly miss her, yet I am so grateful that I could be touched by the warmth of her light in this world. A light that will never go out in my heart.
