“ Ill always remember when my dryer caught fire so I called Jason and my husband in a panic. Jason git to the house first and ran in the house , picked up the dryer by himself and threw it out the back door like it was a feather. Our kids called him uncle Jay Jay and he never missed a baseball game. Jason has always been one of our best friends and I am going to be lost without talking to him all the time. We love you Jason..rest now. Thanks for being such a good friend to us and our kids. We will always love you.
