“ All of Gil's friends know that he was a great person that would do anything to help anyone. We can't believe that this happened to him at such a young age. It goes to show you that you should live for today because you never know what tomorrow may bring. Gil will be greatly missed by lots of people and leave a void in several lives including ours. We feel terrible that we can't make the funeral but know that he is in our thoughts. We are very sorry for the remaining families loss....Nick & Cathy

“ Loved sharing the hot peppers, hot sauces and the jalapeno beef jerky from bass pro with you Gilly. Never knew anyone that could eat the hot stuff like you. You were always a kind and generous person and an example for us all be to follow. You will be missed.
