“ I first noticed Jaylin's boots one day at recess. I didn't know her name yet, so I just started calling her Boots. She had such a beautiful smile and was always dressing and walking around with her own style and pep. I loved her heart so much! So sad to know she's gone.

“ Jaylin was always so kind and positive. We had many classes together throughout elementary school and middle school. Though we had many classes together we didn't talk very often. We were in the same Girl Scout troop together as kids and remember many things and activities we did together. She was always so uplifting and so nice no matter the circumstances. We will all miss you so much Jaylin. -Mallory Hurt 💕

“ Jaylin was in my daycare from 6 weeks old until she started school. She was a happy baby , outgoing toddler, she loved to color, paint & play with play dough but she loved to dance the most. Praying for peace & comfort for all who loved her. She’s “ Dancing in Heaven” with Jesus now . 🙏

Jaylin was the most caring, thoughtful person I had ever met. She cared deeply about her family and friends. I have known her since I was in kindergarten. We both shared the love of becoming a nurse practitioner. I remember her talking to me about how she was so excited that we would both be attending ASM together. She was such a great friend and was always there when someone needed to talk. I will miss her so much, and she will always have a place in my heart.

Jaylin was the sweetest girl I've ever met. She always had a smile on her face. She was deeply religious and always focused on god. She will be forever missed in the homes of everyone she knows. She is very missed at Perry Height Middle School also. They turned her locker into a complete photo collage, which looked like a tree. We loved her.

Jaylin was so sweet and caring. we had gotten really close this year and she had always talked about all the plans she was going to do in high school and would talk about the Taylor Swift concert she was going to. It's so sad to see her go and she will be missed so much. Jaylin always had a smile on her face no matter where she was or who she was with. She was one of the sweetest person you could have ever met. I have so many good memories with her ever since kindergarten.

I didn't know Jaylin the best, but we talked sometimes in school and she never failed to make me smile. She will be forever missed. I wish I had talked to her more, but I will never forget the conversations that we had and all the laughs we shared. She was an amazing girl, always there for you, and was just the sweetest person ever. Her smile would light the hallways up and she was always cheerful in school. I wish this didn't have to happen to her. She will be in our hearts forever. ☐☐
