“ For many long-distant friends, students, and others, Jean was our first and primary contact point with Master's. Her warmth brought us closer in and we felt like we were a genuine part MISD despite the miles of separation. At seminars, we'd rush to meet this Jean who was our first friend. She was there to welcome us and help us out in many ways. Her loss is deeply felt. Many prayers, warmest and sincerest regards are extended to you dear family.
I am grateful that Jean touch my life,

“ • To the Trotter family: you have my deepest, heartfelt sympathy. Although I did not personally meet with Jean M. Trotter, her phone conversations alone were always overflowing with inspiration and encouragement. She was truly a gift to all of those she met, whether as a student at MISD, or family and friends. I can only say, Thank You for sharing her with us. God bless you and give you His peace.

“ Dear family of Jean: Please accept my sincere condolences on the loss of your dear loved one. I did not know Jean personally but on reading her obituary and condolences I can see that she was dearly loved and will be greatly missed by all. At this sad time, I wish to share some comfort from the Bible. Death is such a tragedy for all of us and yet, when it touches us personally, few of us find the comfort that we search for. And death itself leaves so many of us with unanswered questions. However, many have found comfort in God's Word the Bible. The Bible teaches that God will swallow up death forever and wipe the tears from all faces. (Isaiah 25:8). God also promises to reunite us with our dear loved ones by means of a resurrection right here on earth and we can live life to the full in paradise that will be filled with peace, happiness and perfect health for everyone. What a wonderful hope and prospect this. (John 5:28,29; Revelation 21:4; Psalms 37:10,11,29; Isaiah 33:24). As you read the above texts in your Bible, may the wonderful hope they give us along with loving memories, bring you a measure of comfort during this most difficult time. Sincerely: David Cowles

“ Trotter family: Our hearts and prayers are with you during this time of grieving the loss of Jean's presence on this earth. We became acquainted with Jean while taking classes at Master's International. She always presented herself as an ambassador for Christ with a heart to care and serve others. She will be greatly missed even though we know she is presently discovering the joys of the home for which she was made. Marcia and Randy Orban

“ Mr. Trotter, It seemed to me that God gave Jean the gift to encourage others through her heart of compassion. I am a blessed woman to have been encouraged by her on several occasions both as a student at Masters International as well as long distance phone friends. We prayed together on several occasions for your children and grandchildren as well as mine. Please know I am lifting you, your children and grandchildren in prayer today, and will continue to do so. God Bless you. Deborah Ives

“ Please know Wayne that you are in Lonney and I's prayers. You may not remember us, but I worked with Jean at Masters and you guys took us to the airport once. Jean was such an awesome lady. She never said anything bad about anyone,,,never an unkind action or word EVER. I loved reading her FB postings. She seemed like she was really enjoying her time in FL. God bless you and We are soooooo sorry but know that she is with Jesus....no doubt about it. We will see her again...another reminder of how short life is.

This is really great. I had the pleasure of meeting Jean in 2003 when I graduated with my Doctorate. Great Lady! Can't believe it's been almost 11 years.

We will continue to pray for God's comfort for the family. Although, Jean will be missed by many she is praising the Lord and enjoying all the incomparably great wonders of being with him.

May God strengthen and give comfort to Jean's family and also the staff at Masters. When we visited Indiana for graduation in 2012 Jean transported us to all the functions. She was very kind to us and we were saddened by her passing but what a joy to know that she's with the Lord whom she loved dearly. Our prayers are with all who mourn.

My last Christmas card of appreciation to Jean was - "Hold them in the highest regard in love because of their work. Live in peace with each other" 1 Thessalonians 5:13. The tender and peaceful voice will continue to echo in us that Jean's voice and work had not been in vain. Her serene voice is the attribute that our sister's soul is peacefully resting at the presence of the Lord. Let us all remain courageous in the Trinity.

Wayne, Mary, John & Charity, Lloyland & I send our love & heartfelt sympathy for the loss of Jean. We did not know Jean well since our meeting was very brief several years ago. However we learned to know both Wayne & Jean through their son, John He is the product of the love and care which nourished him from childhood into a Godly man of God. And that same love and care continued in John's & (Charity's) life until God called her home. Again, may our thoughts & prayers be a source of comfort to you during this time of loss. We will be sending a gift to International Teams designated to John & Charity's ministry in Nepal to honor Jean's dedication to the work of God.
