“ *Growing up next door to the Guetlings, I referred to Aunt Jeanne and Uncle Harold. I would go next door to see if any of the guys wanted to play sports, when you enter Jeanne's kitchen it was like a bustling hotel. I remember her calling the boys in to eat in shifts and organizing the shower schedule. I will never forget her Christmas trees they were huge and decorated with popcorn string, and always a ton of presents under the tree. not a week passes I remember something that happened with the Guetlings. The simple times at Courpus Christi growing up day by day with my cousins on Koring Road. I only found out about the funeral on Saturday, sorry I missed you guys.*
