“ Jeff and Judith's kids were all the same ages of ours and we have been around them since our kids were very little through our St. Joe/MD community. All I have ever know of Jeff has been that of an amazing Father, husband, and friend to so many. He would give anyone the shirt off of his back and always willing to help. The love he had for his family was evident always. God had some other plans for Jeff because he must have a special job in heaven. RIP Jeff. Love and hugs to Judith, kids & the family and friends who loved him.
