“ Larry, Janice, and Kristina I am so sorry for your loss. May God be with you through this tough time in your lives. I didn't keep in contact with Jennifer after I left Bosse but I ran into her several times through the years and she always had a few minutes to catch up on each others lives and was always happy, smiling, and just seemed so full of life. I will miss her and I know she will be missed by so many other people who she has touched throughout her short life. I will keep you all in my prayers.###imported-begin###Jennifer Coleman###imported-end###
