“ *I was so sorry to read of Jenny's passing. She was such a sweet, compassionate lady and very, very special. I am Curt Miller's widow and was so privileged to get to know Jenny as a member of Hazel's family. I can't begin to tell you how much Jenny's care of Hazel in her last years meant to all of the family. It was a delight to be part of your family for the few years that Curt and I were married before he passed away.##imported-begin##Carol Miller Hahn##imported-end##*

“ Jenny was truly a very special lady. She always had kind words for everyone she met. When we would visit her at the flea market she was also excited about the items that just came in, and always offering item (free) to any local club or organization that she thought they might be able to use. She was always so happy when her & her Kenny could socialize at the Moose or at the American Legion. She was & always will be a classy, beautiful person. She will be missed, by all that knew her.##imported-begin##Danny & Becky Eyer##imported-end##
