“ *The Peterson Family,
Silent tears stream down your cheeks.... Exhausted from the sorrow
and hurt you feel.... Thinking you just don't have it in you... to be
strong.... Rely on Christ in your place of depletion... in the
place where you feel like you have nothing left to give...
Let the truth in your heart surface.... Rely on the strength of His
Spirit.*

*I am so sorry for the loss of your Dad... Husband... Grandfather...
head of the Peterson Family... just as you each held one another's
hands.... Now hold one another's hearts..... Rely on the hope and
the power of the Holy Spirit...*

*"May the God of hope fill you with all joy and peace as you trust in
him, so that you may overflow with hope by the power of the Holy
Spirit." Romans 15:13*

*Dear Lord, You are mighty, and holy, and strong. And I thank You
that Your sweet Holy Spirit will help The Peterson Family thru their
numbing loss..... Hold each of them Father as they hold each other.
Thank you Father for the loving memories of their beloved Dad...
Husband and Grandfather....Great Grandfather... Papa... Help
them feel and share... the love and joy he felt for each of them...
and his honor that they are and forever will be his cherished
family..... In Jesus' precious Name, Amen.*

“ Papa, I love you and I am going to miss you so much. You were the only father I ever had and for that I thank you. I was fortunate enough to have gone on many vacations with you. There were a lot of memories made on those vacations. You were always there for me. Every birthday party, birth of my child, my wedding, and every get together. You and Mimi were there first to show up. I will miss hearing your voice. Makayla says she will remeber you every time she gets her art supplies out because you gave her a container to put it in. She also says she can't wait to see you in heaven. I can't either. Dale.says he will always think of you everytime he tries to do one of the brain teaser games you gave him. Watch over me and I will see you one day in heaven. Love baby Jules##imported-begin##Julie Speicher, Dale Speicher, Makayla Peterson##imported-end##
