“ I only had the privilege of knowing Jerrod for a few months, since he came to the Water & Sewer Utility. On the occasions I had the opportunity to talk to Jerrod, one part of his character was very obvious and I was quick to notice as it was so prominent in his attitude, that he was always in a good mood. Quick to laugh, cut-up and joke around. A real fun person to be around. Also, he was quick-witted and intelligent, which made talking to him interesting. I work in the Sewer side of the Utility so I never had the opportunity to work directly with Jerrod. But, everyone who did have the benefit of working with him, spoke highly of him. Everyone spoke of his high work ethic, his willingness to help a co-worker and his desire to learn so as to be a more productive worker. A real asset to the work-force and the department.

I know you will miss him and I can only imagine the grief you have. I offer my sincere condolences to you in your time of mourning and assure you Jerrod, all his family and his friends will be in my prayers daily.

Sincerely,

Dave###imported-begin###David W. Julian###imported-end###
