“ *So sad to see you go But so happy to see lifes pains and burdens lifted from you as you reside in the presence of the lord. There is no way I can put in a small post the fun times and the memories that we shared throughout the over 40 years I knew you. You were there when I married my wife, when my children were born, when my daughter was married and when my son was stricken with cancer. No we did not see each other as much as we once use too but you were always there in a time of need and that is what true friendship is about. I love you and miss you and will never forget you rest in peace##imported-begin##Darrell Grigsby##imported-end##*

“ Deepest Sympathy to the whole family. Haven't known Jerry Long but he was our neighbor and met him through Milly. Was so shocked to hear of his passing. Kids always seen him drive by in his little green convertible sports car. RIP Jerry.##imported-begin##Melinda Rister##imported-end##

“ I first meet Worm at Yamaha of Evansville. We hit it off instantly. He with his long hair way all the down his back and me with my crew cut! He tried to teach me to ride a skate board and took me to his house for cheeseburgers his mom made us. Every room in his house had trophies three deep, even the hall ways! But I mostly remember how nice and happy a guy Worm was. He told me he got the nickname "Worm" from his parents because he wiggled around a lot as a small kid. I can still picture him smiling and loving life and that's how I will always remember him.##imported-begin##Jock Stucki##imported-end##
