“ Donna and family,

*I know the Lord Jesus is comforting you with His presence at this time. We will be praying for your family. Jim was a childhood friend starting from Perry Heights grade school, and continuing through Reitz High School and into my mid and late 20's. It was such a joy to see him at the 60 year reunion last year. I always enjoyed visiting with him and I thought very highly of him as he was very personable and talented. One of the things I enjoyed most while in grade school was dropping by his home or latest building project and helping him carry or lift a few pieces of lumber. Later, I remember Vickie and I dropping in on you both as you were building and remodeling two or three of your homes. (Jim's know how was amazing.) I think that perhaps Jim got his outgoing personality and good looks from his Mom, who I will always remember for her vibrant, friendly personality and red hair.*

*Sincerely, Bill & Vickie Beck*
