“ So much emotion. Throughout my life I always enjoyed time spent with you. We both have a sense of humor that bonded us. I remember many stories and jokes that kept us laughing. Eventhough my heart breaks right now, i can't help but smile and that is a gift you not only you gave to me but to all who were blessed to know you. As you enter the gates of heaven please give grandma, grandpa and everyone else a hug for me. We will laugh again. Thank you for the joy you brought to my life.

Love,
Scott

“ *Dear Sister,*

The loss is too fresh, too raw, too overwhelming with so many emotions to put into words but I choose to lean into the knowledge of the joy and love you are immersed in being in the presence of your Holy Father and the gathering of our loved ones who were there to welcome you to your heavenly home.

With love,

Robin
