“ John and Family of Joan Hahn,

John I just wanted to send you a email to extend my deepest sympathy for the loss of your mother. I was working on call for the Vand.Co.Coroners Office Sunday and her name was provided to me as my normal duties and notifications are required thru our hospitals. When I heard the name and next of kin info being Jack and son, John, my heart just sank when I realized who this was. I wanted to call Sunday evening, but was afraid that it would have been a bad time in your grieving and did not want to invade your personal family time.

Nevertheless, I wanted to extend deep from my heart how sorry I am for her passing and wanted to let you know how much I think of you as a friend. I am very thankful that you have been a coach to my son at the Westside Junior Football League. As I have got to know you, your wife, children and father, Jack, over the last two seasons, I have been honored to call you friends and have treasured that my son has had the experience to have you John as one of his coaches !

In closing, please know that if there is anything I can do in your time of loss, PLEASE do not hesitate to ask.

I pray that the Lord bless you and your family in this time of grief. May God Bless your mother and keep her by his side in Heaven.

“ JoAn, I will miss you very much. I enjoyed the time we rode together in the NutClub parade in the DAR convertible with your grandchildren who you wanted to have join CAR. You enjoyed DAR so much and when we last spoke you were looking forward to when you would be able to attend our chapter meetings again after your long absence due to your illness. I can't believe you are gone. May God hold you in his arms. You are now healed and free of your pain. Again, I will miss you.

Your DAR friend,
Mardell Puckett
