“ *Because I worked with UE, I met John and Gail at Roberts Stadium. John and we're always enjoyable folks to talk with and of course John always had a joke or two or three he had to tell. We knew each other for 30 plus years and he will be missed, especially when I attend UE games at the Ford Center.*

“ *I worked with and have known John for approximately 35 years. We first worked together at Mead Johnson. In later years, we also worked together at the Ford Center. I also played clabber at Johns house many times. He was always very kind and pleasant to be around. He was a great friend and I will sincerely miss him.*
