“ *Julie, Jean and your families,*

Our hearts go out to you on the passing of your father. He was a funny guy and was always nice to us. I certainly remember him at family weddings. Please know that he is at peace now and no longer in pain.

Keep those wonderful memories of him alive. It's hard now, but it does get easier...

“ One of my fondest memories of John was his WIT, especially when I would tell him to slow down, your talking too fast and he would just talk faster knowing that I couldn't understand what he was saying. I will keep John and all of you in my prayers and thoughts, and may Christ come to you at Christmas with the gift of His Love, the blessing of Hope, and the promise of Peace to lead you through the days of the New Year.
Love, Dinah
