I know Lori personally and her parents they are loving and caring people, everyone processes grief in their own way at their own pace, your not there with her everyday you didn't console her or held her hand when they got that gut wrenching call that every parent fears . If your a good christin you will get on your knees and ask for forgiveness for being so "petty" part of giving isnt to sit and pick it apart after you did it I am signing this as a friend it is ashame you can't do that 🙏

“ I am so very sorry for the loss of young John. I always think of him as Jack because that's what Johnny's always called him. I think the last time I saw him was the family reunion we had at the "home" place in Whitesville. He always had that sweet grin. I hold you all in my heart....Patty Mills Reynolds
