“ *Well, John, you beat me to the next great adventure. We were friends since first grade and over the years, you kept in touch, making sure I didn't forget my hometown or childhood there. Even though we often disagreed on things that didn't matter in the "big picture" it was always respectful and often amusing. My world will have a lot less color without you in it. You never forgot our wedding anniversary or my birthday so I will raise a glass to you on each of those occasions until the day I join you in spirit. Joyce, I am heartbroken for you and the kids and hope you can find some peace and comfort in the embrace of the many friends who adore you both. I'll keep you all in my prayers.*

“ To dear Joyce, Mike, Rachel and families and to Bob, Tom, Diane and Julie—

Bob and I send our heartfelt sympathy and comfort to all of you. We are so very saddened upon John's passing. He has been in our lives for decades. One of my brother's best friends and our friend from childhood! We always enjoyed talking to John and being with John and Joyce at the Fall Festival (same spot every year) and a few years ago at Volkfest

John was very kind and friendly and loved his wife and family with all his heart.

We will truly miss him very much.

May he now have his eternal rest and reward as a good and faithful servant of our Lord and Savior.

“ My heart just aches for all of you—John was such a special person (& fun to be around). How said for MD Class of 72, to have lost 2 alumni in the last 2 months. I bet John & David Macke had lockers right next to each other. Hope they both behave up there!!

“ Joyce, Mike, Rachel and family,

I am in disbelief as I write this. I will always remember John with the great times we had together at family gatherings. We had so much fun! My prayers are for you to be able to find some sort of peace with all this. I assure you, John will never be forgotten.

Love,
