“ Mary and family; When I received word this morning about Joe it saddened me. It forced me back to remembering all the years we spent together at Red Spot. Joe was the Plant Manager and I was his Assistant for 12 years. I always joked with him that I was old enough to be his mother. We had many great times and this has made me really reflect back on all the great memories. I am at a loss for the right words, but I know you’re in a better place because of your illness. It’s hard to fathom you’re not in this life any longer. Thank you for being the best boss. I will never forget you. RIP my friend. Fly high!

“ Joe and I didn't start off on the right foot. He and I aired out our differences and developed an amazing friendship. I am so grateful for the time I had to get to know him. There are so many fun memories! He was crowned “officer with the best calf muscles” 🦵, always offered help to the fantasy football newbies, and he never passed up an opportunity to talk to our passengers. Joe always jumped in to help anyone that needed help! The kindest person anyone could possibly meet! Rest easy Joe. You will be missed greatly!  
Mary and the entire Bassemier family, you have my most sincere condolences.

“*Mary, I told you once that you are an inspiration, a true depiction of the vows “for better or worse,” and I mean that with my whole heart. It is because of your love and care that Joe was able to remain at home, surrounded by family, throughout his illness. It was an honor and privilege to walk this journey alongside you all but it is you who deserves the recognition. ❤️  
Every once in a while, a family becomes more...and yours did just that. I will carry you all with me forever.*
