“ *Joe was an amazing person and an integral part of our family. We met him soon after we moved to the U.S. and he was a constant presence around our house, always to help in any way he possibly could. He was a very devout man, to God, his family and his friends. He touched many lives while he was in Indiana through his self-less generosity and unforgettable smile. He was the role model for many in the Polish community. His loss is difficult for our family and will leave a tremendous hole. He will always be in our thoughts and prayers. Eva, Walter, Jeremi Jermakowicz, Nashville TN.##imported-begin##Eva, Walter, J. “ My Dad Charles(97)has lost a dear friend. I witnessed them as they spoke their native language, enjoying a Polish meal, toasting each other with a cordial as they smiled and shared their stories about their beloved Poland.

Papa Joe, as my grand daughters called him was a wonderful man. He will be missed. We loved him so. Dad will pray for him every day as he always has.

Do Widzenie and God Bless you my friend. Until we meet again.....

“ John,

I'm very sorry to hear that Joe passed away on Tuesday. I always competed with Joe to get locker number 400 at the YMCA at lunch time. I've been a Y member for over 30 years, and had the privilege to frequently talk to your Dad. He told me about his health issue. He was a first class man. I will miss seeing him.
