“ Dear Vicki, Little joey, heather, grandbabies,

I am so sorry for how things have happened in your life and I wish we could have been there for you. I haven't seen my family in Indiana for sometime. I wish I would have been able to see you when we were on the truck, but work calls you to different places and you have to say yes. I love you Vickie and I wish you peace, and joy. I wanted you to know that at first I didn't respect your decision, but know I respect your decision. I have thought about you and the issue and I think I understand. You are one of my favorite aunts, I just wanted to love you at your time of need, cause I know how it is to lose someone so dearly and blessed to have in your life. My tears that have been shed are for you and I love you....your niece###imported-begin###Jaime Sansom###imported-end##
