“ *Dear Blake and Chris*

So sorry to hear about your Mother-she was so much fun and I can still see her laughing and smoking up a storm. I sure wish we could all get together and have some laughs about the olden days. I think of you often Blake-I wish you would email me Miriam###imported-begin###miriam (mim rafferty) podrazik ###imported-end###

“ *Dear Blake & Christi:*

*My parents Bob & Sue Perrott send their most heartfelt sympathies to you and your families in the loss of your mother. My parents had tried for several years to locate your mother but were unsuccessful. I am sorry they didn't learn of her passing until today and the services were already over. They spoke very fondly of your mother and know she will be greatly missed by all who loved her. Please accept our sincere sympathies,

“ Chris and Blake, I so sorry that I can not make it to the services. I know that Mom and Mike will be there. It is so strange that we were just talking about Auntie Joyce. Deanna my oldest is doing a Genelogy Table for her Family development class and we were getting information from Mom. Auntie Joyce will be in our thoughts and prayers. Take care and please keep in touch.
