“ *Although this amazing lady was not my aunt by blood, she was my aunt on my heart. She was one of the most amazing and faith-filled people I know who not only shared her beliefs in what she said but also in how she treated others. It seems like she was trapped inside her frail body with failing eyesight. I am certain that she is now free to dance and sing in the presence of her God as she gazes at his almighty presence. I am so blessed to call her my friend.*

“ I ve known Judy since I was in 3rd grade at Resurrection School and also was my volleyball coach there through 8th grade. She was the most caring, loving and faithful women I have ever met. We have remained very close to each other for over 40 yrs. Sometimes there were many miles between us but never a phone call away. She had such a nuturing way about her that I called her Mom K and she always called me her adopted daughter and Lori and Kathy a sisterhood. She will be surely missed by many but a very special angel has arrived home. My thoughts and prayers go out to Ralph, Lori, and Kathy and the rest of the family
