“ *My Condscends to your loving family.I remember some fun times with Judy and her cousin, Pam. We had a lot of fun, running around the neighborhood, and especially at this time of year. we pulled some good pranks on the bus as well. She will be greatly missed in this world, but I am sure she is back in her mom's arms and those of our maker. Your family is in my prayers, God bless you all and keep you strong in your time of needs.##imported-begin##Becky Smith-Bellinger##imported-end##*
