“ *Cathy, Tim, Dan & Tom*

I am so very sorry for the loss of your sweet Mom. She was a very special lady. It is so very difficult to lose a parent and I know you will miss her so very much. One thing to remember is that she will forever and always be with you as you will have your memories and always hold those close to your heart - she is there.

I will be unable to attend the service on Thursday due to having to work, but my thoughts and prayers will be with you. I am sorry it was under the circumstances it was, but it was nice to see and visit with each of you again.
