“ *Just wanted to express my sympathy at the passing of July. She was a very kind woman. I have good memories of stopping by her house as a kid after swim lessons or swim team at Helfrich Pool. She was always so knowledgeable about the almanac and the phases of the moon and when you should do what in accord with them, especially in the garden. That always impressed me. I am sure that you will miss her dearly. Will keep her and your family in my prayers.##imported-begin##Michael Armentano##imported-end##*

“ Dear Shelia & Stratman Family,
I did not know your Grandmother (Mother) well, but the times I was with her I found her to be a kind and generous woman.No matter the age, it is always difficult to lose your mother. But I know you have wonderful memories to carry in your heart. My thoughts and prayers are with you.
