“ *I met Julia about 36 years ago when I began working at USI. To tell the truth, as a new employee I was a little bit intimidated by her at first but as time passed and I got to know her more, I learned how big her heart was and how dedicated she was to her work. Her dedication to the University and her coworkers was unmatched. After her retirement from USI, I was fortunate to continue to see her around town. She always greeted me with a big “Hi Mary!” I definitely considered Julia a friend and she will most definitely be missed. With deepest sympathy to you all. Mary Hupfer*

“ Tawani & Tenison your mother lived with kindness, humility, and so much quiet strength. They way she loved her family, welcomed others, and made space for joy -- it all lives on. Gone from our sight, but never from our hearts. Rest peacefully, dear sister-in-law. You leave behind so much love. Love you sister-in-law Sharon Muensterman
